Personal skills

- **Attention to detail**

I'm able to limit distractions and prevent errors.

- **Problem Solving**

I can quickly find a solution to a specific issue.

- **Adaptability**

I adapt to changing work environments, I am open to new ideas, and I'm willing to collaborate with people who have different perspectives from mine.

- **Time management**

I'm confident it is one of the most important skills as it allows achieving excellent result in the shortest possible time.

- **Teamwork**

I am convinced that through teamwork, it is possible to enhance the know-how of each member of the working group.

- **Emotional Intelligence**

I don't allow my emotions to interfere with the quality of work or the relationship with the team.

- **Software Skills**

Proficiency in **Microsoft Office Suite** (Word, Excel, PowerPoint and Access).

In compliance with the Italian legislative Decree no. 196 dated 30/06/2003, I hereby authorize you to use and process my personal details contained in this document.

EDUCATION

Università degli Studi di Catania

October 2021 - December 2023

Master's degree in "Medical Biotechnologies" (110/110 cum laude)

At the end of my university journey, I wrote a **thesis** focused on **Clinical Research**, titled: "Radiation-free therapy for the initial treatment of good prognosis early non-bulky HL. Implementation of RAFTING: a phase II, multicentric, prospective trial".

Università degli Studi di Catania

October 2017 - July 2021

Bachelor's degree in "Biological Science" (110/110)

This degree program has allowed me to enhance my scientific knowledge and skills, develop a keen **attention to detail**, and taught me to approach obstacles in a rational manner.

Ellesmere College | Shropshire

JULY 2013

While staying at Ellesmere College, I had the opportunity to improve my **English language skills** by engaging with fellow students and teachers of English nationally, attending interactive lessons, and participating in recreational and sports activities.

Liceo Scientifico Enrico Fermi | Paternò (CT)

September 2012 - July 2017

High School Diploma (87/100)

During my academic journey, I developed a strong passion for scientific subjects, which allowed me to cultivate specific qualities such as **logical reasoning, critical thinking, problem solving**.
